Farewell to André van de Plas

Workshops with Kaye Laurendet

SATURDAY 5Th and SUNDAY 6TH OCTOBER 2019

André van de Plas will be remembered in a series of workshops over the weekend. André was an iconic dance teacher and brought folk dances to us from Israel, Romania, Bulgaria, Armenia, Greece, Turkey, the USA, the Netherlands and many other countries. This is a tribute to André and he will be missed.

Kaye Laurendet has organised and taught at teacher training courses in Australia and New Zealand. She has organised André's Australian tours for 30 years and prepared his annual published dance notes. For 10 years she has been a member of the Folk Dance Australia (FDA) Teacher Training Committee. She developed a programme of dances for a study on 'Dancing for Falls Prevention' with the University of Western Sydney that was featured on ABC TV. Currently she is organising further dance workshops for the FDA.
